**Location:** Angus Hall. Trinity Church. 330 Ravenswood Avenue, Menlo Park. Free. Open to all. Kid Friendly. Refreshments and raffle.

## Topic: Cyber Security for the Individual

**SPEAKER: Charlotte Willner,**  
**Executive Director, Trust & Safety**  
**Professional Association**

Charlotte Willner has extensive professional experience in the field of online trust and safety, working at tech companies like Facebook and Pinterest.

Just like we have locks on our doors to keep criminals out, we need ways to keep our online presence safe from cyber criminals.

Join us to learn more!

Topics to include:

- Ways to protect yourself, your family and your devices;
- Common fraud schemes aimed at different population segments;
- Where and how to file a complaint if you are the victim of online crime or identify theft;
- How to safely use public Wi-Fi networks and what steps to take if your phone is stolen.

Along with ample Q&A.
